- 1. Several copies of the other side of this sheet.
- 2. Scotch tape
- 3. A No.2 pencil
- 4. A pair of scissors
- 5. A sheet of newspaper
- 6. A grown up to help you

Making the Wand:

- 1. Make sure you make copies of the other side of this sheet before you begin.
- 2. Cut you paper along the dotted lines so that it looks like figure 1.
- 3. Second, turn the paper black-side down.
- 4. Begin rolling the paper around a No.2 pencil; roll it length-wise (fig. 2)
- 5. Once the entire paper is rolled into the shape of a wand, loosen the tension enough to make the wand about ½" in diameter.
- 6. Next, using a strip of scotch tape that is the same length as the black part of the wand, tape the wand in place (fig 3).
- 7. Remove the pencil.

Performing the Magic:

- 1. Show the audience the newspaper on both sides.
- 2. Next, roll the wand up inside the newspaper much like you rolled the pencil inside of the paper wand.
- 3. Make a magical pass over the paper; then tear it up.
- 4. The wand will just get torn with the newspaper, and the audience will think that the wand disappeared.
